Re: Alahyar Alan Mikhak/Broadcom Corp.

Dear Mr. Hicks:

Our firm has been retained by Broadcom with respect to Mr. Mikhak's alleged dispute over the ownership of certain Broadcom patent applications, namely, the following applications:

"Wireless Cable Replacement System" and

"Bluetooth Baseband Solution with Reduced Processor Requirements and Integrated Host Controller."

This letter is to inform Mr. Mikhak that Broadcom is proceeding with prosecution of these applications, U.S. and foreign, as though Broadcom is the assignee of these applications.

Broadcom has given Mr. Mikhak ample opportunity to provide the basis for his position that he is an owner of these applications, but Broadcom has received no response. Mr. Richard Block indicated in a phone conversation with Mr. James D. Bennett, Director of Intellectual Property at Broadcom, that he would provide to Broadcom a basis for Mr. Mikhak's position, but never did (despite Broadcom's subsequent written follow-up request). Broadcom has waited months for an explanation of Mr. Mikhak's position, and has incurred substantial fees in the delay and in having to address Mr. Mikhak's allegations.

Broadcom's position that Broadcom is the proper legal owner of these applications is based on at least the following documents, which are enclosed:

Re: Alahyar Alan Mikhak/Broadcom Corp.

Dear Mr. Hicks:

Further to our August 10, 2001 letter, enclosed is a Declaration for Patent Application and an Assignment for each of the "Wireless Cable Replacement System" patent application and the "Bluetooth Baseband Solution With Reduced Processor Requirements And Integrated Host Controller" patent application. Once you have had an opportunity to review the documents accompanying our August 10, 2001 letter, I am sure you will agree that Mr. Mikhak is obligated to execute the enclosed documents.

Accordingly, please have Mr. Mikhak execute each of the enclosed Declarations and Assignments, taking care to have his signature notarized on the Assignments. If we do not receive properly executed originals of the enclosed documents by September 5, 2001, we will assume that Mr. Mikhak refuses to sign, and will proceed accordingly. In any case, Broadcom fully intends to continue prosecution of these applications.

With regard to your fax of today, it is our understanding that you have already received copies of the relevant applications as filed. We believe the applications are all that is needed for Mr. Mikhak to execute the enclosed Declarations. Without any evidence that Mr. Mikhak has any ownership interest in these applications, it is Broadcom's position that he does not have a right to the other materials and correspondence you have requested.

Very truly yours,

Christopher C. Winslade
